

Answers: Test 2

1. Hezekiah (II Kings 20:9-11; Isaiah 38:8)
2. Priscilla and Aquila (Acts 18:1-3)
3. Tentmaker (Acts 18:3)
4. Tarshish (Jonah 1:3) (Have you ever tried to run from God? Were you successful?)
5. 'Not technically'?? She was his half-sister. (Genesis 20) But, how does God see a 'half-truth'?
6. Haman (Esther 9:16-25)
7. Genesis 3:15 (God is speaking: "And I will put enmity between thee and the WOMAN, and between thy seed and HER seed...") {capitalization is mine}
8. Twelve (Matthew 14:13-21) Please note that the 5000 was the number of men, and did not include the women and children. Do you think there was a significance in the fact that 12 baskets were gathered---and there were twelve disciples with Jesus? Could it be possible that He was trying to teach the disciples a lesson, such as the fact that He can supply every need? We are not given the answer to this in the Scripture, but it is food for thought, isn't it?
9. Saul (I Samuel 9)
10. Five (I Samuel 17: 40) (Was there a reason he took 5 stones instead of just the one which he would need?)

So, what grade did you make?

Thank you for participating.
