## ***Consider Your Ways***

Haggai 1:2-11

1. Acknowledge the problem . vss. 2-5  
\*Many times we are in denial--'...dwell in ceiled houses, and this house lies in waste'--we take care of ourselves, but ignore what we need to do for God--don't delay what we know should be done--
  
2. Adjust our priorities . vss. 5 &7  
\*what do you consider most important?
  
3. Accept God's correction . vss. 6, 9-11  
\* Hebrews 12:6--Matthew 6:19-21
  
4. Assume God's promises . vs. 8  
\* 'go up...and bring wood...'--we need to work for God and do our part--not just rest on what others have done--
