## ***Enemies of Your Thankfulness***

### Psalm 100

1. Comparison. John 21:18-23

\*...what is that to thee?--do we compare what others have with what we have? If we look at others, we are not looking at who Christ is to us. II Corinthians 10:12

2. Expectation. Psalm 62:5

\* our expectation should not be in what we can do-- but in what He does. other people will fail us but God won't.

3. Discontented Spirit. John 21, Phil. 4

\* John 21:1-3--It is difficult to wait. Instead of waiting for Jesus, Peter and others decided to go fishing. Yet, when they got to land, Jesus (although He had not gone fishing) already had a fire with fish and bread. He still provided what they needed.
