I Am Not Ashamed

Romans 1:14-17

1. He had experienced the salvation of Christ. Acts 9:1-7

* Be thankful for the power of God in your life. Being religious is not the same thing as having a relationship with Christ. His power, grace, and mercy are ours when we accept Christ.

2. He was genuine in his relationship with Christ. 2 Tim. 1:12

* He helps us in all things in our lives. In all things that happen, do others see us a genuine Christian? A consistent prayer life is necessary for a genuine relationship with Christ.

3. He was a consistent witness for Christ. Acts 17:2-6

* Can others see Christ in us? Don't give up if people do not accept your witness. Continuing praying, continue to sow the seed--God gives the increase. I Corinthians 3:4-9

4. Circumstances didn't dictate his praise of Christ. Acts 16:22-26

* God is great and mighty no matter what circumstances occur. They praised Him before the answer.
