“We Would See Jesus”

John 12:17-26

1. Jesus' response - vs. 23

* 'The hour is come...'--It is time to point people to Jesus--
It is time for us to worship Him--We need to glorify Him--

2. The principle of selflessness - vss. 24-25

* His death/resurrection would be His glory--
He was ready to give His all for us--
vs 25--do the lost people see the love of Christ in us--
or do they see our love for things/possessions--
Christ should be the center of all things in our life--

3. The principle of dedication - vs. 26 & Gal. 2:20

* 'If any man serve me...'-- He accepts us all and we can serve Him--
not only do we serve Him, we must follow Him--we can serve (do the
right things) and yet not follow Him every day--

vs 18--people followed Him because they wanted to see a miracle--
vs 19--Pharisees were unhappy ---'the world has gone after Him'--
vs 20--outsiders came to worship Him--
vs 21--Greeks came to Philip--he was the first one they saw that they
knew was with Jesus--
vs 21--they said they wanted to see Jesus--asked specifically for Jesus,
not for a miracle--they wanted to see Him--
