Gideon and the army _____
Judges 7

Look at your life. What has God given into your hand? Whatever it is, allow God to use your talent for His glory. The benefits are out of this world!!!

Please note: In the taping of this lesson, I made a mistake in the numbers concerning Gideon and his army. Instead of 700 men getting on their knees to drink water, I should have said 9700 men, and only 300 remained. Please excuse my error.
