But When He Saw Jesus

Mark 5:1-20

1. Definite Chaos vss. 2-5

- * Sin has control
No peace

2. Divine Change vss. 6-12

- * Having a belief in God is not enough
Must have a personal relationship with God
through faith in Christ

3. End of Sin vs. 13

- * Deliverance is genuine

4. The Effect of Christ vss. 15, 18-20

- * He began to think and act as he should
Philippians 4:8
Romans 12:1,2

5. Disappointing Reaction vss. 16-17

- * The people of the town wanted Him to leave
The people had lost their pigs (their livelihood)
They cared only for their 'stuff', more than for the
man who was changed and the Man who changed him
