## ***Doubting God's Actions***

Jeremiah 20:7-13

1. Be honest with God. vs. 7

\* God already knows our frustrations, but He wants us to be honest with Him about how we feel--

2. Be obedient to God. vs. 9

\* Jeremiah had God's Word in his heart, and he obeyed God. Obedience is the way to go from doubting to shouting

3. Be watchful for God. vs. 11

\* Look for God in the midst of the situation

4. Be worshipful of God. vs. 13

\* Worship means to adore, to kiss--
