Parable of the Lost & Found

Luke 15:1-10

Lost sheep

1. God's individual love for you vss. 3-5

* Isaiah 53:6--sheep have to be led--sheep are dumb, directionless(have to be led) and defenceless(no sharp claws, no sharp teeth, not able to run fast)--they need to be cared for--we need God's care too and He cares for each individual--He loves each of us as though each of us were His only child. He is an individual God--He rejoices as He carries us--

Lost coin

2. God has spared nothing to rescue you vs. 8

* vs 8- 'seek diligently'--she diligently looked for it--not just a quick look--God gave His Son for us--He was diligent in His concern for us--we need to let our light shine so others can see Him

Joy of salvation

3. Rejoicing over a changed life vss. 6-7,9-10

* vs 6,7--'my sheep'--we can know who we belong to-- vs 9,10--there is joy in heaven when a sinner repents--
