The Widow of Nain

Luke 7:11-17

vs.17...God hath visited his people.

How do we know that God has visited His people?

1. Compassion like Christ. vss. 12-13

* other people did not stop to comfort her- but Christ did

2. Selfless ministry vss. 14-15

* Christ's compassion led to action-(...to touch the beir (coffin)...arise.)

Selfless ministry looks for opportunities-

The only thing that prevents God's work in my life is me (and my lack of faith in Him)---even after this miracle, Jesus did not draw attention to Himself- He delivered the son back to his mother-(her son was her hope)-

3. Need of God's power and presence vss. 16-17

* How long has it been since we felt his power and presence?

vs.11 ...many...disciples...much people.

Why do we follow Christ? For who He is? or what He can do?
