Two Men Went

Luke 18:9-14

1. Both men went to church - vs. 10

* I Timothy 3:14,15--Ecclesiastes 5:1

We need to come 'prepared' for worship to God

2. Both men prayed - vss. 11-13

* Pharisee--self centered--prideful--James 4:6; I Peter 5:5---
bold enough to mention failures of others; the things he said
were true but he relied on himself--he thought he impressed God.
Publican--was not seeking his own righteousness--trusted in God;
genuine prayer

3. One left justified; one left refused - vs. 14

4. Failed application - vss. 15-17

* vs9- the group felt self-righteous--even the disciples had not learned
